MEMORANDUM FOR: Chief, Contact Division. OO
Attn: []

SUBJECT : Stasys RASTIKIS - Case 16043

1. In accordance with discussions concerning subject held by []
Contact Division, (U), on 30 April 1955 attached herewith are:

- a. Translation of subject's letter to a friend dated 16 April 1955.
- b. Translation of subject's letter to [] dated 16 April 1955.

2. As it may be seen from the contents of the letters, subject is still without a position and makes request for help. It also appears that subject is under a misconception that he was to receive a monthly salary until he finds a permanent position. To our knowledge no one in this Branch has made such promises to subject. We are again inquiring of the persons concerned on this matter.

3. We therefore request that your [] representative contact subject in order to establish what his problems and claims are. Inasmuch as it is operationally expedient for us to see that subject is settled at his residence, we would appreciate your further interest in helping subject to find a position.

4. We wish to suggest that in discussing this matter with subject he not be made aware of your knowledge that he had written some letters to "friends". However, it could be explained to him that in the future he should regard your office as the only channel of communication with Agency personnel regarding his affairs.
